

CARE GUIDANCE FOR COMPETITIVE EXAMINATIONS POLICY

CARE has been taking efforts to prepare the students for central and competitive examinations. The students have lot of openings in leading public sector banks, Civil Service Examinations and other exams conducted by UPSC (Union Public Services Commission) and SSC (Staff Selection Commission). Since the students feel that the competitive exams are tough, the college trains the students well for all these in an efficient manner with well-trained experts.

Our college arranges various seminars and lectures from time to time to encourage the students to prepare for competitive Examinations.

Our college established the competitive guidance cell in response to the necessity for today's students to compete and confront the challenges of the modern world.

Through this cell the college organizes various activities for the development of the students. The cell organizes special lectures, seminars, coaching classes and even counselling is given to the students by experts on regular basis. The test formats of various competitive exams conducted by the government are being trained to the students. The information about the syllabus and the question pattern of different exams are being educated.

A number of students take advantage of the activities conducted by this cell. They also learn about how to plan and prepare tactfully for the examination.

The objectives of the guidance cell are:

- To help the students to choose the area where they are interested.
- To develop competitive skills through various types of objective tests.
- To train them by conducting aptitude test based on verbal and quantitative skills.
- To enhance their ability to speak in English and face an interview.
- To provide awareness to the students about the various types of jobs offered both in the Central and State Government.
