"A beautiful lawn doesn't happen by itself"

It's the collective effort of regular maintenance by our gardeners which has given our campus such a vibrant view with the beautiful lawns. It's observed that few members walk over the lawn wrecking the effort of the gardeners and also the aesthetics of the college. This is intolerable and walking over the lawn is strictly prohibited inside the campus. Use the designated pathways while enjoying the elegance of the greeneries.

"Only humans make waste that nature can't digest"

Let us stop it once for all. It is explicitly solicited to the entire CARE family to **stop the use of plastics effective immediately**. It is advised to use alternates such as **cloth bags or non-woven bags to carry things**. In case of an unavoidable use of plastics, let it be recycled effectively and shall be disposed properly in the designated dustbin which shall be segregated and recycled in the large scale. Every individual is expected to self-realise the after effects of plastics to our nature and to react optimally.
