DECLARATION FOR **INCOME AND EXPENSES OF GREEN CAMPUS INITIATIVES**

The green campus initiatives such as parking spot outside the entrance gate, Pathways and the landscaping are all parts of the college infrastructure and they were installed during the construction of the college.

The landscape maintenance is carried out by the scavengers of college and the expenses in this regard are made as a part of the monthly maintenance expenses of the college.

The biodegradable and non-biodegradable wastes are collected separately in separate dustbins and they are disposed properly. The non-biodegradable wastes are segregated and recycled properly.
