Bright Students' Performance (2019 – 2023 Batch)

To encourage Bright Students

- Bright Students are given opportunities to be part of innovative projects and other technical initiatives of the concerned department/ college.
- Bright Students are appointed as Class Representatives who are part of the students' council so as to give a chance to develop their communication, leadership & team building skills.
- They are also given an opportunity to be office bearers of department association, other clubs functioning in the college, and various professional bodies' activities at University and National Levels.
- This initiative teaches them to strike a perfect balance between academics and extra & co-curricular activities.
- They are considered as elite students and they are motivated to participate in Hackathons, Paper Presentations, Project Competitions, Coding Practices, Workshops, Seminars, Design Contests, NPTEL, CoursEra and other MOOC Courses.
- They also help weak students through peer tutoring and they are offered with cash incentives.
- They are also part of the institute's social responsibility where they support the faculty members by teaching and providing skills to the underprivileged students.
- Class toppers are honored during the Annual day and graduation ceremony.

Programming for Everybody (Getting Started with Python)

Python Data Structures

Using Python to Access Web Data

Using Databases with Python

Capstone: Retrieving, Processing, and Visualizing Data with Python

UNIVERSITY OF MICHIGAN

Nov 30, 2020

Shreehar Elancheran

has successfully completed the online, non-credit Specialization

Python for Everybody

This Specialization builds on the success of the Python for Everybody course and will introduce fundamental programming concepts including data structures, networked application program interfaces, and databases, using the Python programming language. In the Capstone Project, you'll use the technologies learned throughout the Specialization to design and create your own applications for data retrieval, processing, and visualization.

Charles Severance
Clinical Associate Professor, School of Information
University of Michigan

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

ACADEMIC YEAR (2022-2023)

Initiatives and Implementation to encourage advanced learners

The following initiatives are taken by the department to the advanced learners

• Advanced learners are given opportunities to be part of innovative projects and other technical initiatives of the concerned department/ college.

• Advanced learners are appointed as Class Representatives who are part of the students' council so as to give a chance to develop their communication, leadership & team building skills.

• They are also given an opportunity to be office bearers of department association, other clubs functioning in the college, and various professional body activities at University and National Levels.

• This initiative helps them to strike a perfect balance between academics and extra & co-curricular activities.

• They are considered as elite students and they are motivated to participate in Hackathons, Paper Presentations, Project Competitions, Workshops, Seminars, Design Contests, NPTEL, CoursEra and other MOOC Courses.

• They also help weak students through PEER TUTORING and they are offered with cash incentives.

• They are also part of the institute's social responsibility where they support the faculty members by teaching and providing skills to the underprivileged students.

• Class toppers are honored during the Annual day celebration and graduation ceremony.

INTERNSHIP TRAINING CERTIFICATE

Ref: EI/016/2023
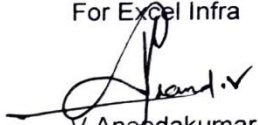

This is to certify that **S. THENMOZHI D/o T. Selvam** student of B.E (Civil Engineering) 5th semester   Care College   of Engineering, has successfully completed her Internship training in our organisation between **16th Jan 2023 and 30th Jan 2023**.

During the training, the student was sincere, hard-working and showed keen interest to learn. The involvement and the sustained efforts put by the student are highly appreciable.

We wish her all the best for her future endeavour.

Place : Trichy
Date : 31 Jan 2023

For Excel Infra

V.Anandakumar
CEO

Department of Mechanical Engineering
Academic Year 2022-23
Initiatives and Implementation to encourage advanced learners

The following initiatives are taken by the department to the advanced learners

- Advanced learners are given opportunities to be part of innovative projects and other technical initiatives of the concerned department/ college.
- Advanced learners are appointed as Class Representatives who are part of the students' council so as to give a chance to develop their communication, leadership & team building skills.
- They are also given an opportunity to be office bearers of department association, other clubs functioning in the college, and various professional body activities at University and National Levels.
- This initiative helps them to strike a perfect balance between academics and extra & co-curricular activities.
- They are considered as elite students and they are motivated to participate in Hackathons, Paper Presentations, Project Competitions, Workshops, Seminars, Design Contests, NPTEL, CoursEra and other MOOC Courses.
- They also help weak students through PEER TUTORING and they are offered with cash incentives.
- They are also part of the institute's social responsibility where they support the faculty members by teaching and providing skills to the underprivileged students.
- Class toppers are honored during the Annual day celebration and graduation ceremony.

Table 1 Participation of Advance Learners in various Events during CAY 2022 – 2023

Special Coaching/ Remedial Class Schedule

IV MECH (2018 -2022 ODD)

Subject Name: OML751 - Testing of Materials

Faculty In-charge: Dr. D.R.Rajkumar

Batch: BE, VII SEM		Academic Year : 2022-23	Model Exam	AU Exam
Mechanical Engineering			17-10-2022	13-01-22
S. No.	Reg. No.	Student Name	Result	Result
1	810719114001	Dhanasekaran G	P	F
2	810719114002	Hashim Aslam M	F	P
3	810719114005	Mohammad Reyad S	F	P
4	810719114006	Navaneetha Krishnan R	F	P
5	810719114007	Nelson Ramkumar B	P	F
6	810719114008	Parthasarathi N	F	P
7	810719114009	Shahid Afridi S	F	P
8	810719114010	Vaishali R	P	P
9	810719114011	Venukanth.S	F	P
10	810719114301	Sugan kumar.S	F	P

	CT/Model	AU Exam
Total Students Appeared	10	10
Passed	3	8
Failed	7	2
Pass Percentage	30%	80%

Slow Learners Performance

Model Exam	30%
AU Exam	80%
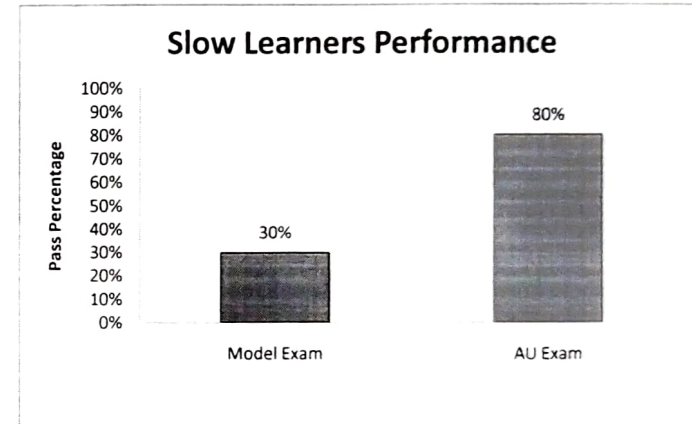

Remarks to get the improved/ decreased results.

1	Totally 7 out of 10 students were identified as slow learners and Conducted coachnig classes.
2	Important topics from Unit 1, Unit 2, Unit 3, Unit 4 and Unit 5 were discussed
3	Having this coaching classes helped them pass in the Anna University Examination 2021
4	Totally 8 out of 10 students were passed in the Anna University Examination.
