**Report on World Consumer Rights Day Awareness Programme**

**Date:15-03-2023**

**Place:Thayanur panchayat**

National Service Scheme organizes an awareness programme on World Consumer Rights Day under the Theme “ Empowering consumers through clean energy transitions” on 15-03-2023 at 9.00 AM in Thayanur panchayat , Trichy-620 102

World Consumer Rights Day is celebrated on March 15th each year to raise awareness of consumer needs and rights. This day is an opportunity to recognize your customer's influence and demand the protection of your customer's rights. The Indian Consumer Protection Act, 1986 outlines these rights. Under the Consumer Protection Act 1986, consumers have certain fundamental rights, including the right to be informed about the nature, scope, effectiveness, purity, standard, price and quality of goods and services. You also have the right to choose from a wide range of goods and services, to be protected from unsafe products and services, to be heard and seek redress, and to receive consumer education.

As every year, the National Service System celebrated the World Consumer Rights Day today. To mark the occasion, CARE NSS organized an awareness program to sensitize rural people on consumer rights in Thayanur village. As a social initiative, the college adopted villages to strengthen and uplift the society. Therefore, 20 NSS student volunteers are creating awareness to make consumers aware of their rights. Students also showcase play-cards at the event which attracts consumers to be more aware of their rights. Overall, the event succeeded in conveying the theme of consumers to create awareness among the masses. The Thayanur Panchayat president and the people much appreciated the NSS Volunteers for their awesome service.

**REPORT ON FREE EYE SCREENING CAMP, WOMEN HEALTH AWARENESS CONDUCTED FOR THAYANUR PEOPLE.**

On April 22, 2023, the “Free Eye Screening camp, Women health awareness conducted for Thayanur people.” was held at Thayanur village.

The eye screening camp aimed to address one of the most common yet often neglected health concerns - vision problems. Eye health education sessions were conducted to raise awareness about the importance of regular eye check-ups and preventative measures to maintain good vision. The event brought together a team of skilled Doctors for Vasam Eye Care and support staff to provide comprehensive eye examinations.

Parallel to the eye screening, Women's Health Awareness Camp was organized by NSS Volunteers in order to Educate and Empower Women about their overall health. This camp addressed a range of critical topics, including Nutrition, Reproductive Health, Mental Health, and Cancer Awareness.
