A REPORT OF ALUMNI INTERACTION – 27th MAY 2023

Department of Science & Humanities organized an Alumni Interaction on 27th May 2023. Mr.N.Karthick, Lead Software Engineer, Fidelity Business Services Pvt.Ltd., Chennai interacted with the students at 2.00 pm at Yoga Hall. Mrs.C.Suganthi, Consultant, Capgemini Technology Services India Ltd. Bangalore interacted online from 3.00 pm to 3.45 pm. Mr.G.Venkatesan, HoD of S&H and faculty members along with the students were present during the occasion. T.G.R.Devadharshini / I CSE welcomed the gathering and introduced the guests. Dr.V.T.Pavendan, AP/Chemistry honoured the chief guest with a memento.

Mr.N.Karthick during his speech talked about the significance of drafting a resume for a job. Everyone's resume should be updated from time to time. The very first question in an interview is on self-introduction. Though prepared, it should sound original during the interview. He also stressed on the need of English for communication purposes. Henceforth, they ought to use the dictionary for learning a word a day. Mrs.C.Suganthi said that the Initial opportunities shouldn't be missed out. So the resume should be ready to be uploaded on any portal. She asked them to keep abreast of new technologies for a successful future.

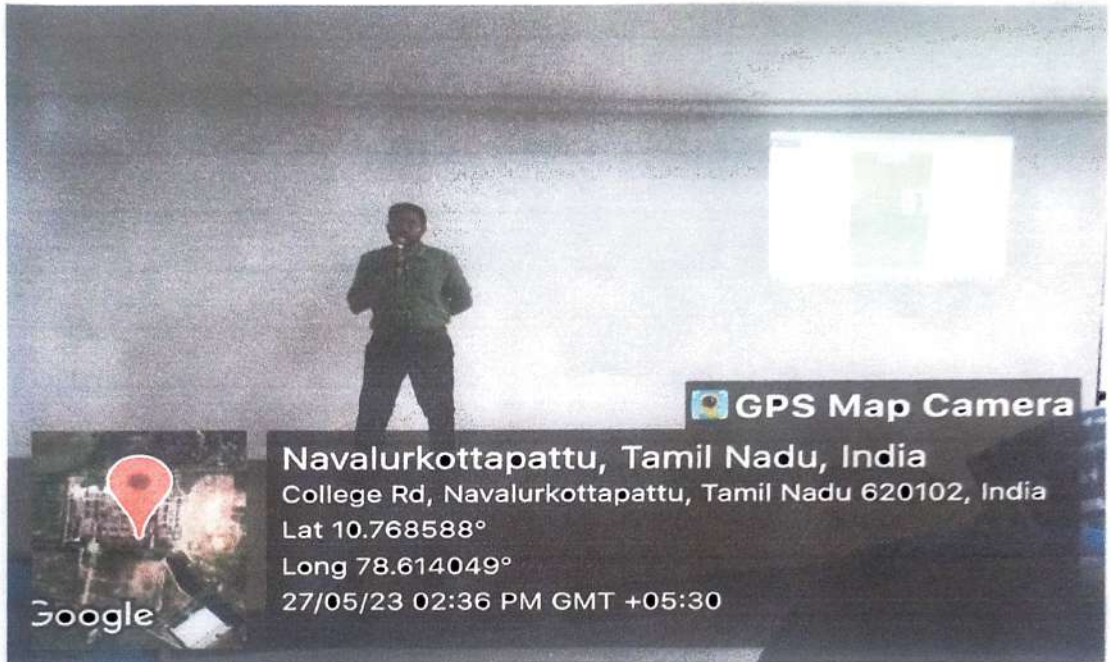

R.Shifana Parveen/ I ECE delivered the vote of thanks. The session was an eye-opener for 91 students who attended the session.
