POLICY DOCUMENT ON PLASTIC BAN

- The CARE College of Engineering is maintained to be a GREEN campus with major landscapes covered with greeneries.
- To adhere to the serenity of campus, it is strictly advised to not use plastics inside the campus.
- It is encouraged to use cloth made or Jute made bags to carry things.
- In unavoidable situations to use the plastic, it is insisted to recycle the plastic as many times as possible before disposing.
- Littering of plastic in and around the campus is strictly banned to protect the environment and the greeneries.
- Separate dustbins are allocated for Biodegradable and Non-biodegradable wastes and they must be used accordingly.
- The dustbins are to be cleared at regular intervals and the non-biodegradable wastes are to be segregated based on their nature and to be disposed in the prescribed manner without affecting the ecosystem.
