Salient Features

"Libraries store the energy that fuels the Imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life" – Sidney Sheldon

Library of CARE turns out to be the wings of its vision, "Transform Lives through Education and Research", by way of fuelling the imagination of students and opening up windows to the world. It is an unparalleled architectural design beside the lilly lake, that stretches an aesthetic ambience to the readers and visitors. Centralized Air-Conditioned Library attracts students to utilize it to the fullest even after the working hours.

CARE College of Engineering is a registered member of National Digital Library Club and DELNET (Developing Library Network) and that facilitates,

- Interlibrary loan facility for getting books from all over India and document delivery services
- E-journals and E-Books access

The Library also facilitates,

- KOHA Software for easy access
- OPAC – (Online Public Access Catalogue) for easy search of resources.
- Separate reference section for rare collection of books

Other than subject books, the following are also available,

- Magazines
- Competitive Exam books
- Business and Motivational books

Though the area of the Library is designated a silent zone, students and staff have the luxury of a sophisticated discussion hall for sharing knowledge.

Other comforts include,

- Net lab accessing facilities for e- journals, e-books and other project works
- Displayed New arrivals for easy access
- User – Friendly Newspaper reading stand facility
- E-mail alert services
- Bulletin board services
