PEER TUTOR POLICY FOR STUDENTS

24.08.2022

Peer Tutor Policy

The Peer Tutoring program encourages students to support each other academically, builds leadership experience and subject knowledge among tutors, and strengthens the collaborative academic culture of CARE College. A peer tutor has the responsibility and privilege of helping his or her fellow student to succeed, and results will be rewarded. A peer tutor may be assigned to help another student in their same year or in a lower year, in any branch, as long as the tutor understands the class enough to help. The peer tutor must be in good academic standing to apply (no arrears). **The Tutor should maintain a record of the coaching hours for each tutored student (at least 2 hours / week).**

Compensation: Peer tutors will have their tuition fees reduced if student(s) they are helping clear their arrear(s). For each successful paper a tutored student clears, the tutor will receive a 5% deduction in their tuition fees for that semester. It increases by 3 percentage points for each difference in year between students. So, if a 4th year student successfully tutors a 2nd year student in 2 classes, they will receive a tuition fee deduction of $(5\% \text{ base} + 6\% \text{ differences in year}) * 2 \text{ papers} = 22\%$.
