VISION OF THE INSTITUTION

Transform lives through Education and Research

MISSION OF THE INSTITUTION

We develop in each member the ability and passion to work effectively for the betterment of humanity with cultural awareness, high ethical and moral values and a sense of social responsibility

DEPARTMENT VISION

To Create Computer Science Engineers through Quality Education and Research.

DEPARTMENT MISSION

To impart Problem Solving, Innovative and Entrepreneurship with sound knowledge in Computer Science and Engineering.

To establish a Research Centre where students can present their research ideas.

To develop Moral, Ethical Values and Social Responsibility to the students

CEO'S MESSAGE

It is with great excitement and pride that I introduce the inaugural issue of the Computer Science and Engineering department's Newsletter for the academic year 2020-2021. This Newsletter marks a significant milestone for our department, reflecting the collective efforts, achievements, and aspirations of our vibrant community.

I am confident that our department will continue to lead the way in technological innovation and academic excellence. The stories and achievements captured in this magazine are just the beginning. I encourage all students and faculty to remain curious, passionate, and dedicated to their pursuits. Together, we can overcome any challenge and achieve great things.

Thank you for your commitment and enthusiasm. Let us continue to strive for excellence and make a positive impact on the world.

Warm regards,
Shri B. PRATIVE CHAND,
CEO,
CARE College of Engineering

PRINCIPAL'S MESSAGE

It is with immense pleasure and pride that I present to you the inaugural issue of the Computer Science and Engineering department's newsletter for the academic year 2020-2021. This first volume marks a significant milestone in our journey, showcasing the collective efforts, creativity, and achievements of our department.

The launch of this Newsletter is a testament to the dedication and hard work of our entire community.

I extend my heartfelt gratitude to everyone who contributed to the creation of this magazine. Your hard work, creativity, and dedication have made this possible.

I am excited to see how this platform will evolve and continue to highlight the incredible talent and achievements within our department.

Thank you for your unwavering commitment and enthusiasm. Let us continue to strive for excellence and make a positive impact on the world.

Warm regards,

Dr. S. Shanthi,

Principal

CARE College of Engineering

DEAN R&D'S MESSAGE

It is with great pride and enthusiasm that I welcome you to the inaugural issue of the Computer Science and Engineering department's Newsletter for the academic year 2020-2021.

This Newsletter marks a significant milestone in our department's journey, reflecting the dedication, innovation, and hard work of our vibrant community.

It brings together diverse perspectives and experiences, encouraging dialogue and inspiring future innovations.

I extend my heartfelt gratitude to everyone who contributed to the creation of this newsletter.

Thank you for your unwavering commitment and enthusiasm. Let us continue to strive for excellence and make a positive impact on the world through our research and innovation.

Warm regards,

Dr.A. Pasumpon Pandian,

Dean of Research and Development,
CARE College of Engineering.

HOD'S MESSAGE

It is with immense pride and excitement that I present the inaugural issue of the CSE department's Newsletter for the academic year 2020-2021. T

his first volume represents a significant milestone for our department, reflecting the hard work, creativity, and dedication of our entire community.

Despite the unprecedented challenges of the global pandemic, our community has continued to thrive, achieving remarkable success in academics, research, and extracurricular activities.

This newsletter is a testament to their perseverance and commitment to excellence.

I extend my heartfelt gratitude to everyone who contributed to the creation of this magazine. Thank you for your unwavering commitment and enthusiasm. Let us continue to strive for excellence and make a positive impact on the world.

Warm regards,

Dr.J. Suresh,
Head of the Department, CARE College
of Engineering.
